Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Monday 12 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy with scattered showers.

Today:
A rather cloudy day with scattered showers, most of them in the west. It will be drier and becoming a little brighter over Antrim and County Down. Light winds. Maximum temperature 9 deg C (48 deg F).

Tonight:
Showers becoming fewer this evening with just an isolated one continuing overnight. Otherwise many places will be dry with clear periods developing and a touch of frost. Minimum temperature -1 deg C (30 deg F).

Tuesday:
A mainly dry and bright day with sunny spells. Scattered showers developing later in the morning with a few heavier ones in the afternoon. A milder day with light winds. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
High pressure will keep mostly dry, settled weather with sunny spells and a few showers. Milder by day but touch of frost is possible at nights. Light winds.
